Reference: Amended April Quarterly Report (01/01/2014 - 03/31/2014), Received 07/16/2014

In response to a notice received from the FEC dated July 30, 2014 regarding the report reference above, the committee has a formal explanation for the following discrepancies noted.

Contained in the above referenced report, we filed an Amended April Quarterly Report correcting contribution errors made prior to treasury transition in mid-June. A new bank reconciliation was performed during the transition process in order to ensure the accuracy of the amended report filed by the new treasurer. The following changes were made to the Original April Quarterly based on the results of the reconciliation:

In regards to the net decrease in receipts for \$21, 360:

See Receipts Table #1-5 below:

As previously reported in the response labeled April Quarterly Report (01/01/2014 - 03/31/2014) filed on 7/16/2014, we filed an Amended April Quarterly Report, the January 31 Year End, and July 15 Quarterly, correcting the in-kind contributions originally reported at their expected value of \$5,200 each for Ken Allaire, Maria Allaire, Lauren Hendrix, Isabella Mallow, and James Peck. The in-kind contributions were originally recorded at expected value due to clerical error. The actual invoiced values were gathered and reported in the correct period in which the contribution occurred, including what was associated with the above referenced report.

See Receipts Table #6-8 below:

- James Pate was omitted from the above referenced report due to no record of an actual contribution for a total of \$250.
- Melissa Theriot contributed a total of \$525 on 2/13/2014 (\$250) and 2/19/2014 (\$275). The original April Quarterly Report only reported the \$250 contribution so the additional contribution was added to the above referenced report.
- Burton Zaunbrecher contributed a total of \$1000 on 3/28/2014. The original April Quarterly Report did not contain the contribution so the contribution was added to the above referenced report.

See Receipts Table #9 below:

-As previously reported in the response labeled April Quarterly Report (01/01/2014 - 03/31/2014) filed on 7/16/2014, we filed an Amended April Quarterly Report, reattributing all contributions originally Edward Beeson to Lillian Beeson. The contributions were originally reported erroneously due to clerical error stating that the late Edward Beeson Jr. had contributed a total of \$2,100 in the first quarter of 2014 where Lillian Beeson is the beneficiary of the estate.

Lillian Beeson and the late Edward Beeson Jr. had a reported contribution aggregate of \$4,200 on the original April Quarterly Report. We had corrected the attribution error noted above and had discovered a total of \$5,190 was actually contributed by Lillian Beeson and the correction was included in the above referenced report. The excess contribution amount was refunded in the 3Q and will be reported in the Pre-Primary Report.
